

Nourishing

We're not fast food. Experience a summer conference that takes the "slow food" approach to teacher preparation. The Online Grades 1-8 Conferences' menu lets you choose your own approach to meet the challenge of a new grade. You can savor the integrated curriculum of the year to come, while having the time to digest it all.

The Online Grades 1-8 Conferences offer between 25 to 45 hours of practical and stimulating audio and visual content for only \$250 to \$350 with no time-consuming additives. And you choose the 14 days in which to take it in. Learn more at: www.essentialwaldorf.com/2015links.html
